the agents from previous administrations will always be
lurking in the background to return, so be mindful of that

when voting. The coppersmith bird's note at a certain distance away has the ring of a sledge on granite; at a certain other distance the hammering has a more metallic ring, and you might think that the bird was mending a copper kettle; at another distance it has a more woodeny thump, but it is a thump that is full of energy, and sounds just like starting a bung.
