If the first and last names are the same does the middle really matter that. But even though the persuasive power of narrative is taken for granted and exploited in fields such as marketing and politics, literary scholars have as yet been reluctant to acknowledge this potential of narrative. I think Mr Callanan and others mentioned the need for global action, and I agree. In this respect, however, the schema of Pledge-Turn, - Prestige has yet another story to tell, as an ars poetica for the workings of art, generally. Most Read in News. This was the song on my lips.
